PRODUCT SUMMARY

This is a benefit program that features Limited Benefit Health Insurance underwritten by an A+ rated company. It provides a wide array of first-dollar accident and sickness coverage, including specified benefits for emergency room and other hospital-related care, health screenings, in-hospital indemnity, and doctors' office visits. There are also a variety of value added benefits which include prescription coverage, vision, dental, and more!

PAYMENT METHOD

Employees paying their premium through payroll deduction. The appropriate funds are automatically deducted from their settlements each month.
